Overview :

- 22 years experience in Film and Television Production.
- Able to secure the technical and aesthetic wants of Directors, Producers and DPs.
- Exceptional organizational skills. Demonstrated expertise in moving crews to and from multiple locations. Maps, directions, contacts, and permits all organized and presented in an efficient and timely manner.
- Familiar with contracting laws, state and local regulations, permits, and how to cut 'red tape'.
- Excellent communicator. Great with local property owners, managers, state and local officials and permitting agencies.
- Prepare folders, digital photos emailed. Always present quality photos and provide detailed notes.
- 20-year resident of Kentucky and Indiana gives me the knowledge of the small towns, back roads and residents.

Professional Experience:

Location Search and Management- Kentucky and Indiana . 1986 to present

- Self employed location scout and manager. Clients include: Ford Trucks, GMC Trucks, Universal Studios (3 months search for feature "Sea Biscuit"), "Dreamer" Paramount, "Breaking and Entering" feature (VSM Productions), UAD Films, Winton Dupont Films, Atlantic Records, PAX TV five city shoot, Stevens, Reed, Curcio Agency, Pfizer Chemicals, Kentucky Farm Bureau Insurance, Maxim Magazine, Newsweek Magazine, Federated Department Stores, and many more.
- Prepared over 50 folders for "Sea Biscuit." Digital stills e-mailed, maps and directions prepared. Locations secured, contracted, and managed.
- Found major locations for "Dreamer". Production moved to Kentucky from Louisiana as a result.
- Work well with both Indiana and Kentucky Film Commissions. I turn the initial "No" into a "Yes" and get the location!
- With 22 years experience in film and television production, and a lifetime of still photography, I can tech scout for DP's and Gaffers.
- Quick turn around, accurate and understandable information. Clear photos. Constant accurate communication.
